If your club wishes to honor an individual member with an Honorary Lifetime membership in the NCFRW please review the criteria below and **submit an original of the honoree's biography to me by mail or email at the address above.**

**Mail the copy of the biography and a check for \$75.00 per candidate (payable to the NCFRW) to the NCFRW treasurer. Both letters and the check need to be received no later than April 5, 2019. These honorees will be recognized at the NCFRW Convention in May 2019.**

To be chosen, an individual **must** meet the following criteria:

- 1) Be a dues-paying member of their NCFRW club for at least five years.
- 2) Be dedicated to the principles of the Republican Party.
- 3) Be an active participant in club activities.
- 4) Must have served at least two years as a member of the NCFRW Board of Directors. (A club president is automatically a member of the NCFRW Board of Directors.)
- 5) Have demonstrated an effective effort on behalf of the election of Republican candidates. (Monetary contributions alone are not a qualification.)
- 6) Must have attended at least one NCFRW Convention as a delegate.
- 7) Her club shall pay annual NCFRW dues for each NCFRW Honorary Life member, but the Honorary Life member will be exempt from annual NCFRW dues.

If your club has not participated in the past, I hope you will make an effort to nominate a member from your club. This is a wonderful way to honor your distinguished members for many years of service.

### **The Selection Process**

**The selection process begins at the club level.** Individual club members may nominate a candidate for Honorary Life Membership, but the decision to present an application to the NCFRW Honorary Life Chair is the privilege of the club's board of directors (as determined by your club bylaws). When a candidate or candidates have been selected, the club president must complete and submit the forms **by April 5, 2019**. The biography should list the past and present accomplishments of the candidate. Please call me if you have any questions. Rieko Evans
