From the Desk of Pat C. Smith

As I type my farewell message for the second term I am just overwhelmed with thankfulness for the wonderful women who worked so hard for the past two years. We have had amazing successes in the midst of a life-altering pandemic.

Politics in the time of Trump

We started 2020 with great plans for the re-election of Pres. Trump and hosting the Republican National Convention in Charlotte. We were celebrating the 100th Anniversary of the Women's Right to Vote with tons of fun activities and educational materials which pointed out that it was Republican women who actually led the efforts. **In the NCFRW newsletter for Feb 2020 I wrote, "Pres. Trump has made us the most powerful nation in military sophistication and training. We are no longer dependent on middle east oil and can negotiate from a position of strength. Our economy is the best in 50 years. Good jobs are plentiful and anyone able to work is enjoying a better standard of living. Illegal immigration has decreased as our president established a sensible pact with Mexico...and we are building the wall!" We had a brilliant live meeting in February with almost 30 great candidates. NC successfully held the March primaries.**

Politics in the time of Covid

By April, we were sheltering in place for a "few weeks" and introducing ZOOM meetings. We were making masks and donating to food banks. By the next month, the great SHUT DOWN began. And the Democrats, with "Governor Emergency Powers Cooper", began rewriting NC's Election laws! But we fought them and worked with the NCGOP who sued them to stop their continuous push to find loopholes with mail-in ballots and unsubstantiated identification procedures.

The rest of 2020 was one long continuous grind of cancellations and disappointments. The threat of Covid was real and many of our members were ill and suffered losses in their families. But we soldiered on with the campaign. We should be so proud that we carried NC for Pres. Trump, elected a full slate of great Judicial candidates and kept our majorities in the NC House and Senate. The NCFRW increased our membership and added new clubs.

The National Federation of Republican Women NFRW did an amazing job of focusing our efforts onto campaign activities. Thank you to President Ann Schockett, Martha Jenkins and their team in Washington DC..

Politics in the time of Biden

The devastating election of Joe Biden was bad enough, but he immediately reversed every good thing the Trump administration had accomplished. Socialist Bernie Sanders and Nancy Pelosi are running the county. Biden's tragic mistakes and losses in Afganistan could not be hidden from the public. Floods of illegials and drugs are now crossing our borders. Inflation is increasing and gas prices are skyrocketing. Our good members of Congress, Senate, and NC General Assembly are fighting the good fight to keep our country afloat until the midterm elections can save our county.

When the going gets tough, the tough get going #NCFRWWarriors

NCFRW membes never gave up. Our clubs kept meeting and our members kept working. We used our new communication network to bring us closer together than ever. Our stong relationships with the Republican party and other conservative groups has kept us unified in our goals. We are constantly vigilant against attempts to side steps our nations laws and even nullify our Supreme court! We are fighting against Critical Race Theory and indoctrination of our children. We are becoming experts in election laws and will not stand down to election fraud. We remain Pro-life. We added almost 1000 first time Republican women members this year and more new clubs.

The toughest group of all has been our Officers for 2019-2021. They pushed through every obstacle to do their jobs and kept us running smoothly. Please join me in thanking these #NCFRWWarriors: from left to right: Coastal VP Michele Nix; Capital VP Kay Wildt; Mountain VP Kathy Flett; Asst. Secretary Doris Hawkins; Foothills VP Suzanne Riley; Treasurer Sarah Wetherby; Asst. Treasurer Kathy Hildreth. Not pictured: Central VP Kelly Gallimore; Secretary Ceil Wasserman and Past President Zan Bunn. Installing the officers in 2019 was Martha Jenkins the 4th VP of the NFRW.

Caring for America Spotlight on current NC Projects

On October 22, 2021 the **Davidson County Republican Women's Club** were honored and humbled to present a \$1,000 check to the **Fort Bragg Army Fisher House**. The money was from a portion of a fundraiser held on Saturday September 11th called Remembering 9/11. Our speakers included first responders with keynote speaker N.C. Appeals Court Judge Fred Gore who is a JAG officer in the North Carolina National Guard.

North Carolina Alerts

The General Assembly is conducting the Redistricting of our Congressional Districts as they are legally bound to do every 10 years after the US Census. NC will be divided into

14 instead of 13 districts. These maps should be coming out very soon. You can see some of suggested maps by clicking on to the General Assembly website.

INFORMATION FOR CLUBS

If this is your club's election year, each club should be voting in November on their new officers for the next term. These officers should be installed in December. It is very important that the club president send the names and email addresses of the new officers to Pres. Kay Wildt
ncfrepubliawomen@gmail.com as soon as possible.

November and December are the months for your membership drive for 2022. (You can no longer send in 2021 memberships) As you have your Christmas and holiday parties pass out the membership forms. The Assistant Treasurer will be collecting your club's membership list in January. Members who have not renewed by March 1, 2022, will be dropped from membership. Our Annual membership period is from January 1 - December 31.

Candidates will start filing for 2022 public offices in December. As soon as filing closes, the official primary period will begin until the primary election in March (hopefully) Remember our **clubs and club presidents** support all Republican candidates equally. Invite them to your meetings and give them a **generous** time to speak. Your club can have a tremendous influence in local elections. All regular members can attend fundraisers and support their favorite candidates.

Please consider running for public office. We need qualified women to step up to leadership positions. Contact us if you need assistance or advice.

We have fun too!

Lincoln County RW, WEROCC and Gaston County RW honor Senator Alexander at Mary Frances Forrester's BBQ.

Always fun to be with Republican Women of Cleveland County!
