RESOLUTION

By the North Carolina Federation of Republican Women

WHEREAS, By flouting our immigration laws the Obama Administration is encouraging the current influx of thousands of illegal aliens pouring across the border;

WHEREAS, Many of these illegal aliens have contagious diseases which are endangering our citizens and causing a burden on our healthcare system by increasing costs for our citizens' healthcare;

WHEREAS, We face huge tax increases to pay for social services and educational costs for these illegal aliens; and

WHEREAS, Many of these illegal aliens are dangerous gang members/terrorists who have committed heinous crimes such as murder and rape;

RESOLVED, the North Carolina Federation of Republican Women strongly urges all citizens to take action in supporting immigration laws and urging their representatives to do so through legislation requiring the closing of the border, decreasing social benefits, and penalizing employers who hire illegal aliens.

APPROVED and **ADOPTED** this 27th day of September, 2014, by the North Carolina Federation of Republican Women.
