Happy New Year to All -

Just as we settle down to enjoy the fruits of our labor from last November, we need to get up and start again! We have 41 municipality races and 5 school board races in October and November of 2011. As Susan Bryant, Wake GOP Chair, said at our last meeting, this is the start of a very important year leading up to another critical one in 2012.

So, where do you start? You start by attending your Precinct meeting on February 8<sup>th</sup>. *You must have attended the precinct meeting to attend the Wake County GOP Convention.* As promised, the County Convention will be one to be remembered... new date of March 24<sup>th</sup>. Why? So Newt Gingrich can be there! Don't miss this fabulous opportunity to mingle with a potential Presidential candidate!

The NC Federation of Republican Women will hold their Winter Board meeting on Feb 12<sup>th</sup>. I highly encourage you to grab a friend and attend. It is a great way to meet fellow Republican women from across the state and to hear your NC House Speaker-Elect, Thom Tillis. Come on ladies, Greensboro is only 90 minutes away! The official call of the meeting is attached to your newsletter email. We are looking forward to another great year with continued great results!

See you in February!

*Martha*

## Meet David Miner

David Miner was elected to six terms in the North Carolina House of Representatives. Ranked by his colleagues in both political parties as one of the most effective Members of the General Assembly, Miner was co-chairman of the House Finance Committee and the Joint Committee on Revenue Laws. He also previously served as chairman of the House Commerce Committee and as chairman of the House Transportation Committee under Speaker Harold Brubaker, the first Republican Speaker of the 20th Century.

In addition to his public office service, Miner has three decades of experience in the Republican Party on both the state and national levels. He was elected National Chairman of the College Republican National Committee and served on the Executive Committee of the Republican National Committee. His Republican experience includes three presidential campaigns, from being a Regional Political Director for Jack Kemp for President, to a fundraiser for Bob Dole for President and National Finance Committee of George W. Bush for President. Miner has helped to raise millions of dollars for the Republican Party. He was a delegate to the 1984, 1996 and 2000 Republican National Conventions.

David Miner's involvement in politics extends beyond party experience. He founded and led the successful organization Americans for a Balanced Budget, a grassroots advocacy group which raised millions of dollars to successfully advance balanced budgets to the forefront of the American political agenda in the mid-1990s.

Miner founded The Resources Group (TRG), Inc. in 2003 and serves as its President. During the last seven years, TRG has represented dozens of Fortune 500 companies and national trade associations as a lobbyist and public policy strategist. Additionally, David Miner is the managing director of Bailey and Dixon Solutions, LLC, a public affairs firm affiliated with the Bailey and Dixon Law Firm which was founded in 1916.

**“Live each day to the fullest. Live each day with enthusiasm, optimism and hope. If you do, I am convinced your contribution to this wonderful experiment we call America will be profound.”**

***President Ronald Reagan***
