NORTH CAROLINA WOMEN – ACTIVISTS SINCE 1774!

October 2022

From the desk of Kay Wildt, NCFRW President

Sandy Smith, Candidate Congressional Dist. 1
Christine Villaverde, Candidate Congressional Dist. 2
Courtney Geels, Candidate Congressional Dist. 4
Virginia Foxx, Incumbent Congressional Dist. 5

Just as NC women in 1774 fought against King George, we will send these outstanding NC women to D.C. to fight against King Joe Biden and the Democrats. Each will work to stop insane Democrat policies: **Inflation - Crime - Gas Prices - Open Border - Deadly Drugs.**

No candidate can succeed without a lot of help, so put out yard signs, work the polls, take the NCGOP training, "friend" them on social media, contribute to their campaigns, have a coffee and invite neighbors to meet them, knock on doors, counter lies that the media spews daily, and/or write a letter to the editor.

In addition, we have excellent gentlemen running for office: **Greg Murphy Dist. 3, Christian Castelli Dist. 6, Dave Rouzer Dist. 7, Dan Bishop Dist. 8, Richard Hudson Dist. 9, Patrick McHenry Dist. 10, Chuck Edwards Dist. 11, Tyler Lee Dist. 12, Bo Hines Dist. 13, and Pat Harrigan Dist. 14.**

This is our winning team, and YOU will bring them over the finish line.

Deadly Fentanyl!

China - Guilty! Mexico - Guilty! Cartels - Guilty! Biden - Guilty!

China supplies the raw materials.

Mexico manufactures it.

Cartels pay off corrupt politicians.

Biden allows deadly drugs to cross our southern border.

Every day in the USA, 300 die from fentanyl - almost 110,000 a year.

It's a war, and we're losing our children.

Biden's Border Crisis ---> Biden's Fentanyl Crisis

One sows, one waters, one reaps: A reflection

That's who we all are at NCFRW - one of us sows an idea that leads to, let's say, a fundraiser. Volunteers come together and water all those creative seeds. Then, voila! We reap donations to keep a Conservative on the ticket to lead your county and our country to greater things!

God, thank you for your righteousness that dwells within us. That you set our feet on a rock, that you call us to a higher calling, that you give us power, love and a sound mind. That you call us to greater things and to have a bigger vision and the

beautiful result of that is... we give it all away.

May you strengthen all your beautiful women and their families of the North Carolina Federation of Republican Women to sow, water and reap.

In Jesus' name...by Margeaux Holland, NCFRW Chaplain

Party Loyalty Alert!

As this bumper sticker clearly shows, Democrats never forget that they're voting with the party.

NCFRW members are working hard to elect only

REPUBLICANS, not "nice" or even talented Democrats - only REPUBLICANS!

How many times have we all preferred another candidate, and for very legitimate reasons, but party loyalty won out. That loyalty must come from the top down.

Remember, those were "nice" Democrats on the NC Supreme Court who blocked our Voter ID law. Even Joe Manchin from "red" West Virginia eventually caved and voted with his party, against his constituents' best interests.

Had Reagan taken it one step further, his 12th Commandment would have been, "Thou shalt not endorse a Democrat!"

Democrats will always vote as a bloc. They will not go against Nancy Pelosi. They will not vote conservatively on the court. Vote Republican!

Title IX Comments

According to the US Department of Education, 235,816 comments from across the USA were submitted to the Federal Register. It is too soon to know how many were for the radical Biden changes or against them. There is an allegation that about 200,000 comments "disappeared" due to a clerical error!
